Vani Vidyashram English Medium High School • Palamaner,AP • 2020

---

## PROJECTS

### Shuffle Game

- The Shuffle Game is a Python-based project that randomly rearranges elements for a challenge.
- Built using Python's `random` module, it engages players in solving shuffled sequences.
- It enhances problem-solving skills and teaches randomness in programming.
- Serves as both an educational tool and an interactive, fun experience.
